

Endowment Example

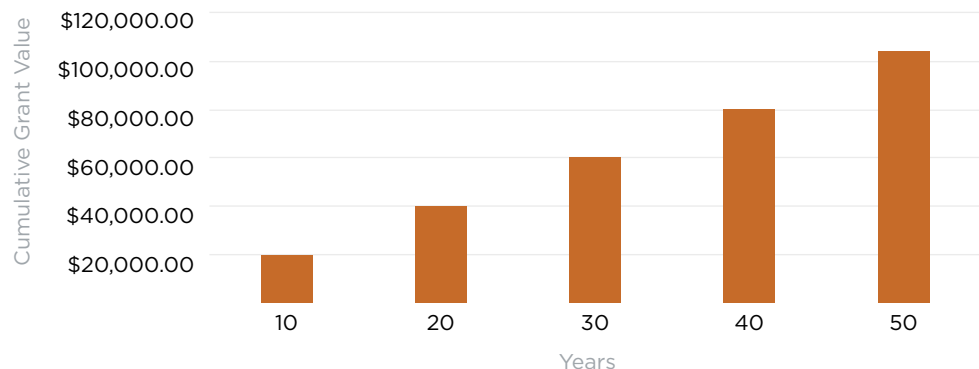

Hands Across Canberra is looking ahead to work with Canberrans and the broader ACT community to build a long term fund. This fund will provide for a continuing capacity to allow us to provide a sustainable grant program to help the vulnerable members of our community.

To achieve this, we need your support. We invite you to come along with us on this exciting journey. Imagine your gift at work 10 years, 20 years, even 100 years from now – growing stronger and having greater impact year after year! Through your endowment in the NAMED FUND, your generosity will grow, as will your legacy.

Here is an example on how it works over 10 years for a \$50,000 NAMED FUND:
