

HOW TO SET UP A NAMED FUND

Frequently asked questions

OPENING A NAMED FUND

Q: I'm interested in starting a NAMED FUND, what are my next steps?

A: To establish a NAMED FUND with Hands Across Canberra, you will need to complete the NAMED FUND Establishment Form, which can be found on our website at handsacrosscanberra.org.au. We encourage you to contact Peter Gordon on **0417 064 767** or ceo@handsacrosscanberra.org.au to discuss your charitable intentions and ensure we can assist you throughout the establishment process.

Q: Who can establish a NAMED FUND?

A: Individuals, families, businesses, trusts, estates and local councils can establish a NAMED FUND.

Q: How long will it take to establish a NAMED FUND?

A: It generally takes about three to five business days to set up your NAMED FUND from the time you have submitted your establishment form, along with your initial donation.

Q: Can I choose to remain anonymous?

A: Yes. Generally, grants made to eligible charities from the Trustee for Hands Across Canberra Trust will be attributed to your NAMED FUND and acknowledged as the name of your NAMED FUND. If the donor wishes to remain anonymous, this can be arranged.

Q: How does Hands Across Canberra work with my professional advisor?

A: Hands Across Canberra partners with many professional advisors, including investment advisors, accountants, financial planners and legal advisors. We provide information and resources to help advisors plan their clients' philanthropic giving strategies. Through Hands Across Canberra, we can provide a wide range of advice about philanthropy and the charitable sector.

Q: Can I wind up my Private Ancillary Fund (PAF) and transfer the full net assets to Hands Across Canberra?

A: If you no longer wish to manage your own PAF or there is no succession plan in place, you can apply to the Commissioner of Taxation to transfer the full net assets of your PAF to a NAMED FUND, provided certain conditions are met. This will mean Hands Across Canberra with the investment advisers will take over the compliance, administration and investment activity, while still allowing you to provide recommendations on grantmaking. We recommend you seek professional advice and contact us to talk through your objectives. For larger PAFs, Hands Across Canberra will consider taking on the trustee role. Hands Across Canberra may also act as the trustee of a new PAF. Please contact us to talk over your philanthropic goals if you are considering establishing a PAF.

Q: What fees are charged to the NAMED FUND?

A: A modest administration fee of 0.5% is charged calculated on the capital value of the NAMED FUND as at the 30 June of the previous year. The Trustees may change the fees from time to time as circumstances change however these fee changes will be kept to a minimum.

Q: How are the Trust Funds invested?

A: The Trustee for Hands Across Canberra has an investment strategy and has appointed JB Were as our expert investment managers to invest the funds of the Trust.
