## Invitation to be a Corporate Table sponsor

**Hands Across Canberra provides a unique collaborative approach to fundraising for community organisations that delivers a range of support services to the people of Canberra.**

Many local disadvantaged people are invisible to the majority of Canberrans. Making a connection with all people regardless of their disability or homelessness or other status is one of our greatest community challenges.

Now in its sixth year, the guest speaker for the 2015 Hands Across Canberra lunch is **Mr Charles Curran, AC**. Charles Curran has an extensive career in Australian business and public life, as the Vice Chairman of the Sydney Stock Exchange and Director of companies that include QBE Insurance Group Limited and Ampol Limited. He has contributed significantly through his personal philanthropy. He is Chairman of Trustees of the St Vincent Curran Foundation which by 2013 had delivered \$21 million in grants to St Vincent's Hospital with an endowment of a further \$17 million. Other community roles include Ambassador of the Australian Indigenous Education Foundation, former Chairman of the Garvan Institute of Medical Research,

the Sydney Health Service and the National Gallery of Australia and Vice President of the Royal Institute for Deaf and Blind Children.

The Hands Across Canberra lunch provides business with a way to support the initiatives and organisations of Hands Across Canberra. Corporate Table sponsorship allows two tickets at your table to be allocated free of charge to one of the more than 120 community organisations associated with Hands Across Canberra.

**Corporate Table sponsorship is \$2,500 including GST and provides the following benefits:**

- Company logo on electronic presentation during the lunch
- Mention by MC during lunch
- Company logo placement on table holder
- Co-branded Hands Across Canberra banner for inclusion on your company emails in the lead up to the event.
- One table of 8 tickets (2 representatives of local charities will make the table one of 10)
